

How to submit an assignment

Go to the assignment page, and click “Add Submission”

Prompt

Part I - Collocations: Prepare a list of 10 common collocations. (Do not use the examples in the module.) How would you make the fact that these words go together clear to your students?

Part II - Eliciting: Reflecting on the different eliciting techniques you learned in this module, which one would you use to teach the following? Use several different techniques. Example: “For a gate at an airport, I would use a photo of people lined up at the gate and ask, “Where are these people? What do we call this place where they are lining up?”

- Smooth
- To go on a date
- Harmful
- Silverware
- To dance

Make changes to your submission

Once this assignment is submitted you will not be able to make any more changes.

You'll confirm again that you want to submit the assignment.

Submit assignment

Are you sure you want to submit your work for grading? You will not be able to make any more changes.

After clicking "Continue", you'll be able to see that your assignment is submitted to your tutor! You can also see what you submitted. Once you receive feedback and a grade, you'll be able to see that feedback and grade below your "Submission Status" section.
